Dear Tracy

Re: Donation to IW Foodbank

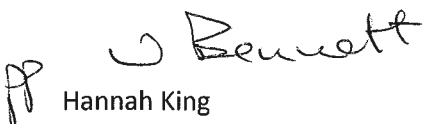

We would just like to say a very big thank you for your generous financial donation to us of £250.00. We were sorry you were not able to deliver the donation personally but hope that you will be free sometime during 2018 to visit and have a tour around our HQ here at Cowes.

Your donation will go towards helping us remain a viable operation, and therefore more able to help those who are in such crisis, whom we serve.

The foodbank is continuing to make a big difference to people in need on the island, and in the last six months, the Isle of Wight foodbank has provided crisis food for 1283 adults and 714 children and we would not have been able to do this without the support of the public in making donations both of food and money.

Thank you again for your support.

With best wishes

Hannah King
Manager
